**THE FRIENDSHIP EXPRESS TO PROCEED AS PLANNED**

The Friendship Express, the Malaysian My Little Pony: Friendship is Magic (MLP:FiM) convention scheduled to take place at the atrium of SSTwo Mall here in Petaling Jaya, Selangor on 21-22 March 2015 will proceed as planned. This affirmation comes after official notice that SSTwo Mall will be ceasing operations after the Chinese New Year to make way for major renovation.

Daniel Anthony, the chairman of the event stated that "A representative of the mall has contacted us on the matter and told us that the mall will only cease operations in April", adding that the event will carry on as planned.

The Friendship Express was announced in December 2014 at a similar event in Singapore called The Cloudsdale Splash. The Friendship Express will be the first of its kind in Malaysia, bringing *Bronies* (young adult fans of My Little Pony: Friendship is Magic) from all over the nation together in the spirit of community and friendship.

The event will feature concerts, panels as well as artists who will be selling their works. Admission is free and the event is open to the public.
